Real Estate Agent Information and Guidelines

General Information:

1. Clearbrook is an age restricted community as defined by the FHA with amenities geared toward active adults. **Although we have a 24-hour emergency nursing service in our community, the nurses are not equipped to handle or aid residents requiring daily assistance as is available in nursing homes, in assisted living facilities, or with visiting nurse services.**
2. One resident of a unit *must* be 55 years of age, all other residents *must* be at least 48 years of age.
3. Underage guests may visit in the community for a period not to exceed three months in any calendar year.
4. Units are not to be rented for less than the period specified in the Section governing documents. It is recommended that renters obtain renters insurance for the length of the lease and provide a copy of their insurance to the administrative office.
5. **Resident parking is limited to 2 spaces.** These spaces are located in the garage and driveway, or if the unit has no garage, in 2 marked parking spaces in an adjacent parking lot. Overnight parking of commercial vehicles is prohibited in the community. Recreational vehicle parking, allowed in designated areas by permit only, is very limited.
6. It is suggested that unit owners purchase an insurance policy that will cover their personal possessions and their portion of the Association's deductible, if applicable in your Section, to protect themselves against liability and property loss. A letter containing the coverage for units under the CCA policy is available in the administrative office.

Seller Agent Guidelines:

1. Notify the administrative office when a unit has been listed for sale or rent.
2. Include the name and phone number of the seller's attorney.
3. Open houses are not allowed in our community.
4. For sale signs are prohibited in our community.
5. Regarding repair work on listed properties, please refer to the attached letter from our Facilities Manager.

Buyer's Agent Guidelines:

1. **At closing**, the attached "Disclosure Statement" must be completed and sent to our administrative office. Along with the signed and completed "Disclosure Statement", four checks must be submitted:
 - a. to the appropriate Condominium Association for the Section Condominium Membership Fee (see attached list),
 - b. to the Clearbrook Community Association for the CCA Membership Fee in the amount of \$1,300.00, and
 - c. to the Clearbrook Community Association for administrative costs in the amount of \$100.00.
 - d. to the Taylor Management Company for administrative costs in the amount of \$295.00.
2. The seller is responsible to furnish the Section master deed and bylaws and the CCA bylaws to the purchaser. If not available, copies may be obtained from our administrative office for a fee of \$50.00.
3. Notify the administrative office of the name and phone number of the buyer's attorney.
4. The buyer assumes the responsibility for all unpaid monies due the Association if the account for the unit being sold is not paid up to date by closing. Information regarding outstanding payments is given in writing and by written request only.
5. Renters and owners are required to complete the attached "Lease Rider". The completed Rider must be sent to the administrative office along with a signed lease and the \$250.00 annual lease administration fee. Re: Repair Work on Listed Properties

To Real Estate Agents:

It is the Clearbrook Community Association's policy that our maintenance department will do repair work on a unit listed for sale at the owner's expense, *only* if requested by the following:

1. the unit owner,
2. the executor (executrix) of an estate, or
3. the person with power of attorney.

The executor or the person with power of attorney must provide us with documentation to prove this authority and an address to which the bill for repairs should be sent.

Please keep in mind that repair work must be scheduled at least three to five days in advance. If due to excess demand the work cannot be performed within three to five days, it will be performed as soon thereafter as time permits. Also, it is the policy of the CCA that our maintenance staff does not enter a unit to do repair work without an owner or authorized person present as long as any personal property is still in the unit.

Payment of completed repair work is due upon receipt of invoice; outstanding balances will be deducted at closing. Once paperwork has been sent to the attorney for closing, additional work orders will not be accepted by this department.

If you have any questions, please do not hesitate to call our maintenance office at 609-655-5890. Thank you for your cooperation regarding this policy.

Very truly yours,
Maintenance Department

The Lease to which this Rider is annexed is subject to the following terms and conditions:

Lease Subject to All Association Governing Documents.

The Tenant acknowledges that the property being leased is part of a condominium and the Landlord is a member of the Association that manages the condominium. Tenant shall be obligated to comply with all of the terms and conditions of the master deed, bylaws and rules of regulations of, as applicable, the Clearbrook Community Association and the Clearbrook Section Association in which the Unit is located (collectively the "Governing Documents") including any amendments to any of the foregoing documents that have been adopted before the date of the Lease or may be adopted thereafter. In the event of any failure of the Tenant to so comply, the Landlord and the Tenant shall be jointly and severally responsible for any noncompliance and subject to the enforcement remedies exercised by the Association. This includes the right of the Board to (i) suspend the right of the Tenant to utilize the common elements of the Condominium such as the parking and recreational facilities, it being understood that the Landlord shall have no such rights during the term of the Lease and, (ii) at the Landlord's sole cost and expense, to evict the Tenant from the Unit as Landlord's attorney-in-fact. **The Tenant acknowledges having received a copy of the Governing Documents from the Landlord and having reviewed them in their entirety.**

Violation of Governing Documents is Grounds for Eviction; Extension of Lease.

Notwithstanding any term contained in the Lease to the contrary, if during the term of the Lease Landlord has received two or more written notices from the Association that the Tenant has violated the terms of one or more of the Governing Documents Landlord must, at least 60 days prior to the end of the lease term, provide written notice to the Association of Landlord's intent to renew or extend the Lease. If the Association Board of Directors ("Board") determines in the exercise of its reasonable discretion that the Tenant is guilty on more than one occasion in participating in one or more of the following: (a) material interference with the peaceable possession of Units by other residents; or (b) violation of restrictions or rules that negatively impact other residents' enjoyment of the common facilities for the purpose for which they are intended; or (c) engagement in conduct that endangers the safety of other residents; or (d) engagement in conduct that damages the common elements of the condominium, the Board must, within 14 days following receipt of Landlord's notice, forward written notice to Landlord that it may not renew or extend the Lease. If the Board does not respond within said 14-day period or consents to the renewal, Landlord may extend or renew this Lease. If the Board approves of the continuation or renewal of the Lease, all provisions of this Lease Rider shall remain in full force and effect, except this Paragraph 2.

Collateral Assignment of Rent.

In the event of any delinquency by Landlord of thirty (30) days or more in the payment of common expense or other charges levied by the Association ("Common Charges"), the Tenant shall, upon receipt of a written request from the Association, pay all such Common Charges directly to the Association and deduct these amounts from its rental payments without being deemed in default under the Lease. Such direct payments shall continue until all such Common Charges are current, including any accelerated sums. This provision shall be deemed a collateral assignment of such rent to the Association by the Landlord to ensure the payment of such Common Charges.

Copy of Lease.

Prior to the commencement of, and as a condition precedent to, the effectiveness of the Lease, an executed copy of the Lease and of this Rider must be furnished by the Tenant to the Clearbrook Community Association together with the names and ages of all of the persons intended to occupy the Unit. No occupancy of the Unit by the Tenant shall be allowed unless and until there is full compliance with this Paragraph. Tenant may not use any of the recreational or other facilities prior to compliance with this provision.

No Amendment or Sublet.

The Lease may not be assigned by the Tenant and no subletting of the Unit shall be permitted without the express prior written consent of the Association. Any such assignment or subletting shall deemed a material violation of the Lease and grounds for eviction by the Landlord, or by the Association as the Landlord's attorney in fact.

RESOLUTION REGARDING THE USE OF AMENITIES AND FACILITIES BY
OWNERS LEASING THEIR UNITS

P R E A M B L E

A. The Amended Bylaws of the CCA were recorded in the Middlesex County Clerk's office on March 24, 2006 in Deed Book 5647 at Page 171, et seq. (hereinafter, the "Amended Bylaws").

B. The Bylaws empowers the Board of Trustees (the "Board") to exercise all lawful powers and duties necessary for the proper conduct and administration of the affairs of the Association and the operation and maintenance of a residential condominium project.

C. Article III, Section 3.15(e) of the Bylaws provides that the Board has the power and authority to make and amend rules and regulations.

D. Article III, Section 3.15(b) of the Bylaws provides that the Board is responsible for the operation, care, upkeep, and maintenance of the Common Property, which includes the amenities and facilities within the community.

E. The Board has determined that when Owners lease a Unit, thereby allowing the tenants to make full use of the common area amenities and other facilities of the Clearbrook Community Association, some Landlord Owners continue to use the amenities and facilities thereby increasing intensity of use beyond what they were designed to accommodate.

F. Except as expressly provided herein, the rules and regulations previously adopted by the Association and the restrictions, covenants, rules and regulations contained in the Governing Documents, as they may have previously been amended, shall not be otherwise amended and shall remain in full force and effect.

G. This Resolution was duly introduced and was thereafter adopted by the Board in accordance with the Bylaws at a regularly scheduled meeting of the Board, at which a quorum was present, by a vote of the members of the Board eligible to vote on this matter.

NOW, THEREFORE, BE IT RESOLVED, on this 28th day of June 2017, that the CCA hereby established and adopts the following rules concerning the use of the common areas by Owners who lease their Unit:

1. **Definitions.** Unless specifically defined otherwise, all capitalized terms used in this resolution have the same meaning as in the Master Deed and Bylaws.

2. **Suspension of Privileges While Leasing a Unit.** Any Unit Owner who leases his/her Unit ("Landlord Owner") shall not be permitted to use the swimming pool, clubhouse, or any other recreational amenity or room of the Association that is part of the Common Property. Tenants will retain the right to make use of the common area amenities and other facilities of the Clearbrook Condominium Association.

3. **Persons Included Under Term "Landlord Owner".** Wherever the term "Landlord Owner" is used in this Resolution it shall include all prior residents of a Unit owned by a Landlord Owner, including, without limiting the generality of the foregoing, any spouse, significant other or family member of the Landlord Owner, unless such person is the Tenant under the lease agreement with the Landlord Owner.

4. **Fines.** Landlord Owners in violation of this Resolution will be fined pursuant to the terms of the CCA Bylaws. Fines for a violation of this Resolution shall not exceed the maximum amount permitted by law, provided that each incident resulting in a violation of the terms of this Resolution, including each day a similar violation occurs, shall be treated as separate violations. Collection may be enforced by the Board in the same manner as the Board is entitled to enforce collection of the common expenses.

5. **Authority.** In the event any term or provision of this Resolution contradicts the terms and provisions of the Amended Bylaws, the terms and provisions of the Master De Bylaws shall control. This Resolution shall, however, be construed to afford the greatest amount of power, authority, latitude and discretion to the Board, provided same does not violate the Master Deed, the Bylaws or applicable laws.

NOTICE AND RECORDING. The Association's managing agent is authorized and directed to prepare correspondence, in appropriate form and substance, and thereafter circulate same, along with a copy of this Resolution, to all Unit Owners. The Association also authorizes and directs its legal counsel to arrange for recordation of a copy of this Resolution with the County Clerk's Office in order to establish the recording of this Resolution in the chain of title.

This Resolution shall be effective as of the 28th day of June, 2017.

Condominium Statement

Clearbrook is a Condominium complex consisting of a master association and 18 condominium associations that are commonly referred to as "Sections". To realize many of the advantages of condominium living, unit owners need to understand that when living in close proximity and using facilities in common, there are guidelines and regulations that must be followed. Inherent in condominium living is the giving up of a certain degree of freedom of choice which one might otherwise enjoy in separate, privately-owned property.

In a condominium, unit owners own "from the walls in." The physical exterior of your home and all surrounding space are common elements belonging to the association in which your unit is located. You are encouraged to improve your home keeping the following architectural and landscaping regulations in mind:

As per each Section's bylaws, residents are not permitted to make any changes (additions, alterations and/or modifications) to their Units or modification to the common elements without prior approval. This rule is in place to make certain all changes conform to established building codes and community guidelines, all of which benefit the community in terms of aesthetics, safety and a reasonable degree of uniformity.

Any resident contemplating an architectural or landscaping change to their unit or any modification to the common elements must first contact the Administrative Office to receive an application and all guidelines and forms necessary to submit the approval request. In some cases, a Monroe Township permit may also be required.

Complete Architectural Regulations and Landscape Modification Guidelines can be found at www.clearbrook-nj.com under the *Forms and Regulations* tab in the *Unit Modifications* and the *Landscape Modifications* sections.

UNIT MODIFICATION LIST FOR APPLICATION REQUIREMENTS

3-22-2023

An application packet must be completed for most home improvement projects. If your project involves equivalent replacements of appliances, plumbing/electrical fixtures or cabinets you must check with your section to determine whether an application is required. Painting and flooring do not require an application.

All applications must be returned to the administration office for submission to the Architectural & Landscape Advisory Committee, Section and/or CCA for approval.

Packets and information can be obtained in multiple ways.

1. Online on the Clearbrook website at www.clearbrook-nj.com under the Forms and Regulations tab.
2. Via email request to awolstromer@taylormgt.com.
3. At the Administration office.

The nature of the project will determine which components of the application packet the unit owner is required to submit. All applications must be accompanied by a contractor's license number and certificate of insurance, as well as detailed specifications of the project. Other components that may be required:

1. A **declaration of maintenance obligation (a covenant)** is required for most construction that affects or touches the exterior of the unit.
 - The covenant is to be notarized and accompanied by a check for \$55.00 made out to "The Middlesex County Clerk's Office" for filing fees.
2. Some exterior projects require unit owners to **notify their neighbors** as part of the approval process. Once informed, the surrounding neighbors would then sign the Notice to Neighbors form.
 - Should a neighbor object to the proposed construction, work cannot commence until the matter is rectified. Neighbors have up to five (5) days to object to the proposed plans by submitting their concerns in writing to the administration office.
3. Some projects may also require a **Monroe Township construction permit** (building, electrical, plumbing, mechanical). It is the responsibility of the Unit Owner to have the necessary permits but most contractors will apply and obtain permits on your behalf.
 - Once the project is complete and inspected by Monroe Township, a copy of the permit and the inspection stickers/certificate should then be provided to the administration office. This is the responsibility of the Unit Owner.

Please note that multiple projects can be submitted on one application, as long as all necessary components to the application are included.
